A Must Attend Congress!

“Needless to say, this will be the foremost academic orthopaedic meeting ever held in India.”

Dr. Ashok Johari
President – SICOT 2013

Plenary Speakers
(see details at www.sicot.org)

José Sérgio Franco
Shanmuganathan Rajasekaran
Dror Paley
Steffen Ruchholtz

Inaugural Speaker

The Inaugural Speaker at the colourful inaugural ceremony is Mr. Subroto Bagchi, acclaimed as India’s No.1 best selling business author. He is Chairman, Mindtree Ltd.

The other highlight is the scintillating dance performance by the Ananda Shankar Jayant Troupe. Do not miss the Inaugural at any cost!
It is a matter of pride for us that, for the first time in the 84 years since its inception, SICOT will host its orthopaedic World Congress in Hyderabad, India from 17-19 October 2013.

Delegates from 90 countries will converge on Hyderabad.

We have invited 240 eminent speakers from around the world. An intense learning process has been set up covering 10 halls, 4 plenary lectures, 47 Symposia and ICs, 46 free paper sessions, one Best Paper session, 11 focused oral presentation sessions and myriad electronic posters. Needless to say, this will be the foremost academic orthopaedic meeting ever held in India.

The preconference Education Day on 16 October starts at 7.30 a.m. with Trauma as its theme. Over 40 invited speakers will guide you on a journey covering basic sciences, upper & lower extremities, spine fractures, paediatric fractures and special considerations in trauma.

The conference program starting on 17 October, is designed to cover every subspecialty in orthopaedics and trauma, and one hall is more or less dedicated to a major speciality each day. Trauma, paediatrics, spine, sports medicine, information technology, oncology, infections, education & publishing, research, hip, knee, shoulder & elbow, hand, foot & ankle, etc. are covered in different halls with many invited orthopaedic luminaries as speakers for each session. (Please see Invited Speakers list)

There is so much to gain through interaction with the speakers and among delegates. The latest and cutting edge of orthopaedics and trauma would be laid bare for all to savour. The social events which include the Welcome Buffet and the India Night Dinner, will add to the camaraderie and foster friendships. Besides this we have a Charity Run for the athletes amongst you as well as a Cricket Match-India XI vs Rest of the World XI for cricket enthusiasts!

Academic organisations like AAOS, APOA, ARTOF, ASAMI, European Bone & Joint Infection Society, IFPOS, SIROT, SOFCOT and WOC will add lustre to the proceedings. Lunch Symposia provide an insight into the industry which will be showcased in the extensive trade exhibition. Please participate and add to the Indian pride.

Dr. Ashok Johari
President SICOT 2013
Invited Speakers

Ahmed Abdelazeem, Egypt
Ahmed Kandil, Egypt
Ajay Puri, India
Ajeiya Adhikari, United Kingdom
Akjoy Prasad Shetty, India
